WE GOT THE POOL AS DRY AS WE CAN THEN DECIDE TO LEAVE FOR A BIT AND LET IT FINISH DRYING OUT ON ITS OWN.

AFTER PARKING OUR CARS ABOUT 3 BLOCKS AWAY THE CREW BEGAN RUNNING THRU BACKYARDS TO THE POOL.ALONG THE WAY WE MET TWO LITTLE DIRTY FACE KIDS DRESSED IN CAMAFLAGE SHIRTS AND BLUEJEANS.THEY ASKED US WHAT WE ARE DOING AND SHAWN TELLS THEM THAT WE ARE PLAYING ARMY.THE KIDS (kid1 and kid2) GET EXCITED AND IMMEDIATELY START TAGGING ALONG. CONSIDERING THE PROBABILITY OF A BUST, WE DECIDE TO PUT THE YOUNGSTERS TO WORK.POSITIONING THE YOUTHS IN STRATEGIC LOCATIONS,WE INSTRUCTED THEM TO RAISE THIER HAND IF ANY CARS NEAR,AND TO YELL "HELL" AS LOUD AS THEY COULD IF THE COPS SHOULD SHOW UP.

# THINK ABOUT IT

Jerry was a bright young boy, his parents couldn't understand why he would sneak down in the cellar and then disappear for the afternoon.

They tried to discover what the boy concealed as he snuck away from this household of T.V. and stagnancy, only to be left bewildered.

When questioned by his worrisome folks, Jerry only responded with questions such as "I don't know what you're talking about; are you serious?"

One day, however, there came shocking news to this T.V. room (automatic tuning , no doubt) the phone rang. Mrs. Jerry didn't have to move to pick it up, Just her arm , her eyes still glared into the corner of the dim lit room. Looking at a box, an idiot box. The voice that came from the plastic device, known as a phone, explained that he was the law and he "apprehended," her boy. They had found him on someone else's land inside their pool, "playing." (with a skateboard) this came as a big jolt to Mrs. Jerry. "What would the neighbors think?" Her 16 year old boy was found in one of the neighbors yards playing in their pool????!!!!?

"He should be out with the other boys, driving around getting drunk!" OH "What a predicament her boy has got her into, the neighbors, OH NO" Jerry's Dad wouldn't take this kind of rebellion from such a youngster. Jerry was finally under control after a lengthy battle of wits. Now he is finally "normal" he enjoys sitting in a room with the rest of the family. He doesn't know motion he views it. He doesn't live, he exists. Oh, It's so wonderful, a controlled enviroment.
